Visitor Safety Guide

Welcome to SEKISUI Aerospace. We have outlined some important safety and security information that will help us keep you safe during your visit.

Visitor _____

Host _____

Sekisui Aerospace considers Safety as the top priority. We are committed to creating a safe, zero-injury environment for our team members and visitors. If you witness any unsafe acts or feel your visit exposed you to any hazard, please let us know immediately.

Please take the time to review the safety information provided in this pamphlet and let your host know if you have any questions.

We thank you in advance for your cooperation and will work to ensure your visit is a safe one.

Daniele Cagnatel
President/CEO
